A large, owner-occupied metal fabrication shop with a spacious bay that includes five drive-in garage doors: one measuring 12' high by 9'6" wide, and four measuring 10' high by 9'6" wide. The unit also has a floor drainage system and impressive ceiling heights just shy of 15 feet. A smaller, vacant, open-concept unit with a washroom. These two commercial units can be easily combined to create one large ground-floor space, providing flexible options for a variety of uses.
